

DOMEL

BASIC FUNDAMENTAL PRINCIPLES

Mission, vision and values are the signposts on our path to sustainable development.

MISSION

Domel is a socially responsible company. As a global developer and supplier of advanced solutions in the field of electric motors and components based on our own innovative technologies, we enable the growth and sustainable development of the Domel group, in this way providing quality jobs in the broader environment.

VISION

We want to become one of the leading global developers and suppliers of EC motors and maintain our leading position in the vacuum cleaner motors market.

VALUES

Creativity and ambitiousness
Responsibility and economy
Respect and cooperation
Care for customers and employees
Belonging
